

42nd Annual Illinois State Police Softball Tournament

The 42nd Annual Illinois State Police (ISP) Softball tournament will be held in Springfield September 16-18, 2022. The event will take place once again at Spartan Sports Park. Illinois State Police members from the entire state will travel to Springfield to enjoy a weekend of softball with family, friends, and their brothers and sisters from the ISP.

During the event, we will be raising money for the ISP Gold Star Families Fund. This fund will be managed by the ISP Heritage foundation, and in the event an ISP Trooper is killed in the line of duty, the fallen Trooper's family will have funds available to assist them with travel expenses. This will help to ensure the family members of the fallen Trooper are able to be in attendance when their loved one is memorialized on the National Law Enforcement Memorial. Please assist us in making this year's softball tournament a memorable event for all involved.

We are looking for auction or raffle items to assist with raising money for the Illinois State Police Gold Star Families Fund. Any cash donation will be greatly appreciated as well. Please make checks payable to the ISP Heritage Foundation, and please write "ISP Softball" in the memo portion of the check. The Heritage Foundation is a 501(c)(3) nonprofit organization (tax exemption identification number E9944-1462-02). Please visit www.isphf.org for more information about the Illinois State Police Heritage Foundation.

We greatly appreciate any support you can provide in making this an enjoyable event.

Thanks in advance!!!

Illinois State Police Softball Tournament Committee
